## RUSSIANS ARE ALERT

BUT EXPECTED ATTACK BY JAP  
FLEET UPON PORT ARTHUR  
DOES NOT OCCUR.

ENEMY'S SHIPS IN VICINITY

ADMIRAL MAKAROFF KEEPS HIS  
SQUADRON READY TO REPEL  
ATTACK BY TOGO.

St. Petersburg, April 11.—The generally anticipated attack on Port Arthur did not occur Saturday night, although a telegram received from Grand Duke Cyril reports that the enemy's ships were sighted on the horizon. It is presumed that the Japanese were warned of the extra precautions that had been taken to guard against a surprise.

There was no Easter merrymaking at the front. By special dispensation the soldiers and sailors there were relieved of all religious observances on account of necessities of the military situation.

Vice Admiral Makaroff's torpedo flotilla patrolled the open sea, while the warships with full steam up remained outside Port Arthur.

Elsewhere throughout the theater of war all is reported quiet.

RUSSIA'S PLAN OF CAMPAIGN.

Would Lure the Japs Far Inland and Then Crush Them.

St. Petersburg, April 11.—A high military authority thus explained why General Kuropatkin's plan of campaign does not contemplate a heavy resistance to the Japanese advance at the Yalu:

"Either defeat or victory in a battle there would be disadvantageous to us. If we lost we would have to fall back through a difficult country. If we won—and I say to you that Russian strategy is based on the idea of victory and not on that of defeat—success would be fruitless. We could not follow it up without exposing the army to too great risks. On account of the Japanese control of the sea, if we pursued the enemy into the peninsula of Korea, we would open both flanks to a possible attack from the rear. No, the Japanese must come on to a point in the interior, which with that end in view has been selected, where we can follow up a crushing defeat to the bitter end and with blow after blow and seal the fate of the campaign.

"Our plans on sea and land will converge at a time next summer when Admiral Makaroff's fleet will be relieved by the arrival of reinforcements. Then, if successful on land, we can clear the sea of the enemy, cut his communications and the Japanese in Korea and in Manchuria will then be at our mercy.

"The world must not be impatient. The prelude to this war is not yet finished."

It is understood here that as the result of General Kuropatkin's visit to Newchwang, reinforcements of 19,000 men will be sent forward from Liaoyang.

REPORTS ARE UNCONFIRMED.

Capture of Transports and Land Fighting Only Rumors.

London, April 11.—No confirmation has reached London of the various rumors, most of which came by way of Paris, of land fighting, landings by Japanese on the Liaotung peninsula, the capture of Japanese transports by Russians, etc.

Dispatches from various points agree that the Russians have completely evacuated Korea, but beyond this there is little reliable news.

A Chefoo dispatch, which reaches London by way of Rome, asserts that the Japanese squadron, with twenty steamers, was seen making for Port Arthur.

The squadron of Admiral Wrenius left Cherbourg Sunday for the Baltic. On the occasion of the Easter celebrations the czar conferred numerous decorations and promotions on military and naval commanders, prominent in connection with the war.

The Japanese papers ridicule the idea of the Russian Baltic sea squadron ever reaching the far East, and do not believe that it will ever make the attempt.

FOURTH DIVISION LANDING.

Japanese Force Accompanied by the War Correspondents.

Seoul, April 11.—The fourth division of the Japanese army is landing in the north part of Korea at several points. With it go the first batch of foreign correspondents. The majority of them have been living in Tokyo for months past, and it is thought they held sort of a prescriptive claim; therefore they will accompany first army. The weather, however, is rainy and this batch may have some further leisure on the banks of the Yalu. The first army headquarters will move north of Pingyang at an early date. Ice is moving into main stream of the Yalu, which blocks passage of troops.

Armenian Bishop Arrested.

Constantinople, April 11.—A consular telegram reports the arrest of the Armenian bishop of Mush and the members of the legislative council for disseminating malevolent reports.

EASTER PASSED QUIETLY.

No Attempt to Molest the Jews in Russia.

St. Petersburg, April 11.—The Associated Press has received special reports from all the Jewish districts of Russia regarding the happenings of Easter Sunday. Up to 2 o'clock Monday morning, according to these dispatches, the Russian Easter passed quietly and there was absolutely no attempt to molest the Jews, the provincial governors acting in accordance with instructions from St. Petersburg. The faithful execution of the government's orders to the local authorities and the police prevented the outbreaks which were feared at Kishineff, the scene of the disturbances last Easter. There was not a single case there in which Jewish and Christians were involved. The government officials here are gratified that order has been so generally preserved. The reports circulated at Ekaterinoslav of an outbreak at Odessa are false, as the day passed quietly. Kishineff was entirely tranquil Sunday.

It is reported that two Jews assaulted a local watchman at Vilna Saturday, cutting him with knives. Perfect order prevailed Sunday.

As usual there was some rowdiness at Uskub Sunday, but it did not lead to any serious disturbances.

St. Petersburg Sunday was en fête and was given up to Easter rejoicing. Open house was kept everywhere and the latch-string was out for all.

WOMAN TO FIGHT FOR RUSSIA.

Will Go to the Front With a Regiment of Riflemen.

St. Petersburg, April 11.—The war ministry has granted the petition of Mme. Pousp, daughter of Colonel Maxiwcondrow, who desired to be enrolled in a Cossack regiment. The ministry has ordered her enrollment in the first regiment of riflemen.

Mme. Pousp is thirty-three years of age, was reared under the patronage of the late Emperor Alexander III, is a fine horsewoman, a good shot, and handles the rifle, revolver and sword equally well, often taking part in the cavalry maneuvers of the Vyazensky regiment. She also is a qualified Red Cross nurse, but she says there are enough women nurses, and wants to show that a woman can fight.

BANQUET FOR MARQUIS ITO.

Japanese Statesman Announces Success of His Korean Mission.

London, April 11.—Marquis Ito, president of the Japanese privy council, was given a banquet at Tokio Saturday. He announced the success of his mission in establishing confidential relations between the Japanese and Korean courts and said that at his government's request he had drawn up an elaborate report on Korean political needs.

JAPAN HAS FRIENDS

RUSSIAN NAVAL OFFICER SAYS

THEY WILL FURNISH HER WITH MUNITIONS.

Paris, April 11.—The St. Petersburg correspondent of the Petit Parisien cables an interview which he had with Rear Admiral Rojestvensky, chief of the general staff of the navy, in the course of which the admiral admitted that he had been offered and had accepted the command of the Baltic squadron, adding that he was not certain whether the squadron would go to the far East. The emperor, the admiral said, desired the squadron to be ready to sail by July 15, next, but this is considered too hasty a movement in official circles, where it is affirmed that on the departure of the squadron a certain complication might arise in Europe.

Moreover there will not be work for the seamen in the far East in September, "for by then," said the admiral, "the Japanese will have conveyed to Korea sufficient cannon, ammunition and provisions to enable them to carry on a campaign for many months. The Japanese will not hesitate to spend enormous sums for apparently inadequate results and this proves that they are sure they can renew their supplies and ammunition and that they have safe friends who will furnish all they need."

Questioned concerning the Japanese tactics, the admiral said: "Vice Admiral Togo is quite right to remain faithful to his plan, although appearances are against him. We know from a sure source that he is certain he can repair his vessels and renew his supplies, even of heavy artillery, if needed."

MANY RUSSIANS WOUNDED.

Two Trainloads From the Yalu River Going to Harbin.

Tientsin, April 11.—It is rumored from Mukden that two trains containing a large number of Russians who were wounded in an engagement on the Yalu have passed through there on the way to Harbin.

Prevented Naval Operations.

London, April 11.—The Times correspondent at sea, cabling April 9, via Weihaiwei, reports a typhoon lasting for two days, which prevented naval operations.

Artillery for Newchwang.

London, April 11.—A correspondent of the Times at Chefoo says that 2,000 Russian artillerymen, with 60 guns, arrived at Newchwang Thursday.

## FIVE PERSONS KILLED

A LOADED STREET CAR JUMPS FROM THE TRACK AT SANTA BARBARA, CAL.

SCORE OF PASSENGERS HURT

MANY OF THEM FRIGHTFULLY MANGLED AND OTHERS ARE BADLY BRUISED.

Santa Barbara, Cal., April 11. A street car loaded with passengers returning to town from the Old Mission ran off the track at the intersection of Garden and Mission streets Sunday and five deaths have resulted. All of the dead were Santa Barbara people. Over twenty of the passengers were injured, many of them being frightfully mangled. Over half of the injured had bones broken about the body and not a few of them suffered serious fractures of the skull.

The dead are: Francisco Dominguez, James Smith, Ramon Reyes, Leon Calderon and Earl Goiland, all of Santa Barbara.

The first three named were killed outright and their bodies horribly crushed.

Among the injured, none of whom, it is believed, will die, was Mrs. Julius Kruttschnitt, wife of the traffic director and vice president of the Southern Pacific railway, who was slightly hurt; Dr. Rosa Enghert of Chicago; Mrs. Early, an Eastern woman, address unknown, and Edmond Schreiner of Chicago, who had several ribs broken, and Mrs. W. H. Porter of Washington, D. C.

Others All of Santa Barbara.

The other injured are all Santa Barbara people.

The accident was due to a defect in the brake apparatus, as was revealed upon an inspection of the car after the accident. While the rear brakes were tightly set against the wheels, the forward brakes were of no service because of the breaking of a part of the gearing. The motorman discovered that something was wrong with the car several blocks above the point where the accident occurred and endeavored to set the brakes but failed to check the speed of the car. At the intersection of Garden and Mission streets, there is a very abrupt curve, and the car was moving at its highest speed down a five per cent grade when the curve was reached. The car was thrown from the track upon its side. One section of the car was smashed into splinters. Those who were instantly killed, and many of those who were most seriously injured, were standing on the guard rail on the side of the car as it crashed into the ditch.

DOES NOT TEACH POLYGAMY.

President Smith Denies the Charges Against Book of Mormons.

Kirtland, O., April 11.—There were 1,200 people present at Sunday's religious exercises of the fifty-first annual conference of the reorganized Church of Jesus Christ of Latter Day Saints, now in session at this place. The principal sermon was by President Joseph F. Smith. The address was an able review of Mormon history of recent years and a denial of the charge that the Book of Mormon teaches or advocates polygamy. The speaker maintained that the contrary was the case, that the Book of Mormon taught, with the Bible, that one husband should have one wife and one wife one husband.

Another able address was that by Apostle Heman C. Smith of Lamoni, Iowa.

WOMEN IN FATAL FIGHT.

Mrs. Graham Shoots and Kills Mrs. Robinson.

Wheeling, W. Va., April 11.—Mrs. Ella Graham and Mrs. Victor Robinson disagreed and quarreled over the attentions Mr. Robinson was alleged to have lavished upon Mrs. Graham and in consequence Mrs. Robinson is dead and Mrs. Graham is in jail charged with murder. The two women met near their homes in Pocahontas and started in to fight viciously, tearing at one another's hair. Mrs. Robinson was proving too much for her antagonist when Mrs. Graham pulled a revolver and fired five bullets into Mrs. Robinson's body, killing her instantly. The shots were fired at such close range that the clothing of the dead woman took fire and her dress was partly consumed.

PASSENGER TRAIN RELEASED.

Five Engines Necessary to Pull It Out of Snowdrifts.

Sioux City, Ia., April 11.—A Great Northern passenger train arrived in Sioux City last night from O'Neill, Neb., having been stalled in a cut near McLean since Friday noon. Five engines were sent to help get the train out and the snowdrifts were over the smokestacks of four of them and another was thrown from the track by the snow.

HIGH SCHOOL DESTROYED.

One Fireman Killed at a Costly Blaze at Galesburg, Ill.

Galesburg, Ill., April 11.—Fire which broke out in the basement of the Galesburg high school resulted in the total destruction of the building. John Slater, a fireman, was instantly killed by a falling wall. The loss is estimated at \$100,000, fully covered by insurance.

The fire threatened the large seminary for ladies of Knox college and the college chapel. The entire fire-fighting force of the city, with the volunteer force of the Burlington railroad, fought the flames, which at midnight they succeeded in confining to the high school building.

Watchman Brutally Murdered.

Philadelphia, April 11.—John Thomas, night watchman at the Houston club of the University of Pennsylvania, was brutally murdered Sunday evening on the bowling alleys in the basement of the clubhouse. Robbery is given as the motive and a negro is under arrest on suspicion.

MURDERED BY TRAMPS.

Unknown Man Killed on a Freight Train.

Owatonna, Minn., April 11.—While a northbound Rock Island freight train was passing through Owatonna last evening an unknown man who was stealing a ride to St. Paul was brutally murdered by two tramps, William St. Martin of Fairbault and A. J. Driscoll of Racine, Iowa, saw the hoboes kill the man and reported the murder to the Owatonna police. Two hours later two men were arrested at Northfield, charged with having committed the murder.

According to the story told by Driscoll and St. Martin, they were stealing a ride on the same train with the two tramps and their victim.

As the train neared Owatonna the tramps demanded that the man, who was in their company, hand over his money. He was just about to comply with their request when one of the hoboes struck him over the head with the butt of his revolver. The other tramp then fired at the victim, the bullet striking him in the center of the forehead.

### MURDERED BY TRAMPS.

Unknown Man Killed on a Freight Train.

Owatonna, Minn., April 11.—While a northbound Rock Island freight train was passing through Owatonna last evening an unknown man who was stealing a ride to St. Paul was brutally murdered by two tramps, William St. Martin of Fairbault and A. J. Driscoll of Sac county, Iowa, saw the hoboes kill the man and reported the murder to the Owatonna police. Two hours later two men were arrested at Northfield, charged with having committed the murder.

According to the story told by Driscoll and St. Martin, they were stealing a ride on the same train with the two tramps and their victim.

As the train neared Owatonna the tramps demanded that the man, who was in their company, hand over his money. He was just about to comply with their request when one of the hoboes struck him over the head with the butt of his revolver. The other tramp then fired at the victim, the bullet striking him in the center of the forehead.

Experience of Rev. E. C. Clemens, Presiding Elder of This District, Among Chippewa Indians Recently

Rev. E. C. Clemens, presiding elder of the Methodist church for the Duluth district, a brother of Frank Clemens, local freight agent of the Chicago, Milwaukee & St. Paul railway, has been created a member of the Chippewa tribe of Indians, among whom he has labored says the Pioneer Press. His district includes the Lake Vermillion country. The ceremony of adoption was held at Wake-em-up bay on the northern shores of the lake.

Mr. Clemens, accompanied by Rev. C. F. Lewis of Duluth and Rev. J. A. Davis, visited the Chippewas and held services in their rude chapel. At the conclusion of the sermon the three ministers were led forward and the tribal chief took Mr. Clemens by the hand and said, "I name thee O-ge-ma-gi-shig" (Chief of the sky). Mr. Davis was named Na-wa-qu-a-gi-shig and Mr. Lewis Ana-qua-dance. The former name means "noon-day" and the latter "little cloud." After the ceremony the three received moccasins, gaily beaded, and bands of beadwork were thrown over their shoulders. They were informed that their new names would be sent by runners to other Chippewa bands and that hereafter they will find friends wherever Chippewas are gathered.

During the trip Mr. Clemens wedded a buck and an Indian bride, and his two friends were much surprised to find that the custom of kissing the bride prevails even in the Northern woods. The wedding fee consisted of embroidered deer skin purses.

## THREE MEN CARVED.

Colored Porter Uses a Razor With Probably Fatal Effect.

St. Paul, April 8.—As a result of a fight over a woman in a room in the rear of C. W. Swanson's saloon, 246 East Seventh street, shortly after 10 o'clock last night, three men were cut, one probably fatally, by John Strong, a colored porter, who is accused of starting the trouble by insulting Della Moore.

John Reagan, 729 Edgerton street, is lying in a critical condition at St. Joseph's hospital with his throat cut from ear to ear. Twenty-one stitches were put in the cut, and he was so weak from loss of blood at an early hour this morning that the physicians held out small hope of his recovery.

Fred Nordy of Houghton, Mich., son of a millionaire miner, received numerous cuts from Strong's razor, but his condition is not serious.

Donald O'Connell, a fireman, was cut across the left hand, but escaped further injury.

Strong was arrested after a lively chase.

## THREE MEN CARVED.

Colored Porter Uses a Razor With Probably Fatal Effect.

St. Paul, April 8.—As a result of a fight over a woman in a room in the rear of C. W. Swanson's saloon, 246 East Seventh street, shortly after 10 o'clock last night, three men were cut, one probably fatally, by John Strong, a colored porter, who is accused of starting the trouble by insulting Della Moore.

John Reagan, 729 Edgerton street, is lying in a critical condition at St. Joseph's hospital with his throat cut from ear to ear. Twenty-one stitches were put in the cut, and he was so weak from loss of blood at an early hour this morning that the physicians held out small hope of his recovery.

Fred Nordy of Houghton, Mich., son of a millionaire miner, received numerous cuts from Strong's razor, but his condition is not serious. Donald O'Connell, a fireman, was cut across the left hand, but escaped further injury. Strong was arrested after a lively chase.

# HIS WIFE IS TOO EXPENSIVE

Joseph Beaulieu, of St. Mathias, Visits the Dispatch Office and Makes Complaint

WANTS TO GET RID OF HER

Says He Will Not Live With Her Any More—Wants Her to Get a Divorce.

Joseph Beaulieu, of St. Mathias, was in THE DISPATCH office this morning and makes the peculiar complaint that he is tired of married life because his wife is too expensive. He says that it would take a millionaire to support her, and for this reason he will not live with her any more. When he was asked why he did not get a divorce from her, he emphatically replied that he had asked her a thousand times to get a divorce, but she would not. He said he made three or four hundred dollars a year and it all went to appease her extravagant tastes. What he wanted was a Dutch woman, one who would be satisfied on five dollars a month, then he would become a rich man, as he had no bad habits and saved his money.

Mr. and Mrs. Beaulieu were married about two years ago. She was the widow of the late Felix Durrall and had five children from 3 to 16 years of age. Beaulieu said before he married her he exacted a promise that she would "place" her children, all but one, which he would support to keep her company. After their marriage the children would not stay "placed" but would drift back to their mother, to Beaulieu's disgust, and during the last winter sometimes two or three and even as high as four children were with her, living off of Beaulieu's bounteous support. This was more than Mr. Beaulieu could endure, he says, and he has not lived with the family for six months. He says he and his wife constantly "discussed" this situation in their domestic relations contrary to the peace and dignity of their household. Their relations have now become so strained that Mr. Beaulieu says he will go to jail before he will live with her again, to be despoiled of his hard earned lucre.

The divorce court would be appealed to for relief, but Mr. Beaulieu says there is no cause but her "great extravagance," and his advice is that this would hardly be sufficient cause for a divorce, and she, knowing what a snap she has, refuses to get one. And thus the matter rests.

Lots of Claims Like This But so Different—Local Proof is What Brainerd People Want.

There are a great many of them. Every paper has its share. Statements hard to believe, harder to prove. Statements from far away place. What people say in Florida. Public expression from California. Ofttimes good indorsement there. But of little service here at home. Brainerd people want local proof. The sayings of neighbors, friends and citizens. Home indorsement counts. It disarms the skeptic; is beyond dispute.

This is the backing that stands behind every box of Doan's Kidney Pills. Here is a case of it: Mrs. S. Brain of 125 South 9th street says: "Doan's Kidney Pills cannot be spoken of in too high terms. I suffered greatly from my back, the symptoms showing unmistakably that the kidneys were at fault. The secretions from those organs were scanty and caused some pain the aching in my back was constant and exceedingly distressing. When my husband brought me Doan's Kidney Pills I was much in need of relief. I used them and a comparatively short time the pain had disappeared and the improvement in my condition was general. The kidneys were quickly restored to health and performed their functions naturally."

Sold for 50 cents, at H. P. Dunn & Co., and all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

## MUSIC AND DRAMA.

"WHEN KNIGHTHOOD WAS IN FLOWER."

Theatre goers here will have an opportunity at the Brainerd opera house tonight of seeing "When Knighthood Was In Flower" a play that has evoked more favorable comment both as a book and play than any dramatization of recent years. It will be presented here by Frank L. Perley's capable company headed by those clever co-stars Charles Dalton and Roselle Knott. Miss Knott needs no introduction to theatre goers here as they will remember her as the leading lady of Richard Mansfield, as Lygia in the original production of Quo Vadis and last season as Katinka in Amelia Bingham's production of a "Modern Magdalen." There is probably no actor better suited to play romantic roles on the American stage today than Charles Dalton, the eminent young English actor, his portrayal of Marcus Superbus in Wilson Barrett's great religious drama, "The Sign of the Cross" is well known to theatre goers and stamped him at once as the best romantic actor of the modern school. Theatre goers here are to be congratulated at having the opportunity of seeing these two clever stars in what is considered by eminent critics as one of the best plays written in the past decade, and by many it is proclaimed to be a modern classic. Society should be out in force tonight and pack the theatre to its doors as it is seldom an attraction of such high merit visits this city.

### HOME BURNED TO THE GROUND

Fire Yesterday Morning Destroyed Home  
of Mr. and Mrs. Benjamin Romberg,  
Nineteenth Street South.

An alarm was turned in about 4 o'clock Sunday morning from Southeast Brainerd and the department responded quickly. The fire was discovered at the home of Benjamin Romberg on Nineteenth street south. This is quite a distance out and it was a good long run for the fire team, but even so it is thought that the house might have been saved if it had not been for the fact that when the lines of hose were laid it was found that the hydrants were all frozen and the firemen just had to stand there and see the building burn. Some of the furniture in the house was saved, but the house was totally destroyed.

The loss falls rather heavily on Mr. Romberg, although he was quite well insured. He carried \$1,000 on his house and contents, \$800 on the former and \$200 on the latter in one of the Riggs companies. He figures his loss at about \$1,500 or \$1,800.

## POLICE STOP A FIGHT

**NEW YORK RESERVES CALLED OUT TO PUT AN END TO A GORY AFFRAY.**

**FIVE MEN BADLY WOUNDED**

**THREE BROTHERS ARE FATALLY STABBED BY ASSAILANTS IN A SALOON.**

New York, April 11.—In a foud fight here Sunday three brothers, Thomas, William and Michael Gilbride, were seriously if not fatally stabbed, and Harry and John McShane, also brothers, were badly wounded.

On Saturday a fight occurred between Harry McShane and Thomas Gilbride and both were arrested. Sunday, knowing that Gilbride and his two brothers were near with several of their friends, McShane gathered about twenty of his friends in the back room of a saloon at the corner of First avenue and Twenty-third street. Then, according to the police, he approached Gilbride, professed regret over their trouble of the day before and finally induced the Gilbride party to go with him to the saloon to drink and forget their differences. As soon as all were inside the saloon McShane is said to have given a signal, at which his friends began the fight.

**Used a Knife With Deadly Effect.**

Harry McShane devoted his energy to Tom Gilbride, the police said, and used a long bladed jackknife on his adversary. The fight between these two men lasted nearly five minutes and Gilbride fell to the floor insensible and bleeding profusely from a cut in the abdomen and another cut on the right shoulder.

Then Harry McShane attacked William Gilbride and inflicted several wounds, one of which was on the head. The men fought their way out of the saloon and continued the battle in the street, causing a crowd to collect that blocked the surface cars and led to the calling out of police reserves. The fight lasted half an hour. When the police reserves arrived they sent Thomas and William Gilbride to the hospital and arrested the two McShanes, who were bleeding from a dozen wounds.

The other Gilbride, with a serious stab wound over his heart, evaded the police and was taken home by his friends. At night the McShanes were taken to the hospital and positively identified by Thomas Gilbride, the man most seriously hurt, as his assailants.

## LIVING IN UPPER STORIES.

Thousands of Persons in Danger From High Water.

Montreal, April 11.—Three thousand people in the village of Verdun, adjoining the western limits of the city of Montreal, are living in the upper stories of their homes, while several thousand more, who reside in that section of the city known as Point St. Charles, are in danger.

Early Sunday a large quantity of ice came down from Lake St. Louis and jammed up against the Victoria bridge. In a few minutes the water began to rise and in a short time had reached the top of the dyke built after the last great flood and which had been up to the present time a sufficient protection. In a short time it became possible to navigate all that portion of the Verdun in the neighborhood of the Queen's park with boats. All the teams that could be pressed into service were engaged in strengthening and raising the dyke. At 3 o'clock the water had reached a depth of six feet on the streets. Then it began to fall and at 9 o'clock had gone down a foot. The danger is not yet over.

## PRISONER BADLY WOUNDED.

Stabbed by Another Convict in the Ohio Penitentiary.

Columbus, O., April 11.—In revenge for an alleged betrayal, George Duncan, a prisoner, Sunday stabbed and probably fatally wounded "Burglar Jim" Anderson, another prisoner at the Ohio penitentiary. Anderson was seated at a table in the larger dining hall when Duncan suddenly sprang upon him from behind and inflicted six wounds with a shoemaker's knife which he had secreted. The blade of the knife penetrated Anderson's lung, making a dangerous wound.

Anderson and Duncan escaped together from the penitentiary some time ago and were recently captured after a desperate fight at Chillicothe, O. On being returned to the penitentiary Anderson accused a former guard of having aided in their escape.

## POLITICIAN COMMITS SUICIDE.

Broke Jail But Could Not Elude His Pursuers.

Abbeville, Ala., April 11.—Captain W. W. Milliken, who was placed in jail here on the charge of assaulting Miss Snyder of Dothan, broke jail Sunday. He was closely pursued and fired several shots at his pursuers. Finding he could not escape, he shot himself through the heart, dying immediately. Captain Milliken was postmaster and stood high in politics.

## Emperor William at Malta.

Malta, April 11.—Emperor William read divine service on board the German imperial yacht Hohenzollern Sunday morning, after which he received the captains of the British fleet. He then landed and visited all the places of interest. Emperor William is in perfect health and is enjoying his cruise.

## Both Ministers Satisfied.

Rome, April 11.—Signor Tittoni, the Italian foreign minister, in an interview Sunday said that he and Count Goloschowski, the Austrian foreign minister, were perfectly satisfied with their meeting at Abbazia Saturday.

## WORK FOR THE HOUSE.

River and Harbor and the Philippine Bill to Be Considered.

Washington, April 11.—The measure of importance that will come before the house this week include the \$3,000,000 appropriation to carry on necessary river and harbor works; the general deficiency bill; the Cooper bill amending the Philippine civil government act by authorizing a bond issue by the island government for internal improvements and guaranteeing 5 per cent earnings on capital to be invested in railroad building in the islands; the statehood bill, and conference reports as they may come up for consideration.

The river and harbor and general deficiency bills are not likely to consume much time but the Philippine bill is expected to require at least two days' debate.

The statehood bill's career is to be determined by a caucus of Republican members to be held probably Thursday evening. A special rule from the committee on rules, limiting debate and providing for a vote, is expected as a result of the caucus.

## APPROPRIATION BILLS.

Will Take Precedence of All Business in the Senate.

Washington, April 11.—The appropriation bills this week will take the precedence of all business in the senate, but it is more than probable that political discussion will take up most of the time nominally devoted to appropriations. The postoffice bill will divide attention early in the week with the conference report on the Indian bill. By the time these two measures shall be disposed of it is expected that the sundry civil bill will have been reported from the committee on appropriations. It is quite generally understood that several Democratic senators will reply to Senator Spooner's speech of Saturday. Senator Gorman will be among the number. There may be an effort made to get up the Panama canal bill during the week, but not if it would interfere with consideration of appropriation bills.

## HOLD A SUNDAY SESSION.

House Members Pay Tribute to Deceased Congressmen.

Washington, April 11.—Pursuant to a special order, the house of representatives Sunday conducted memorial services in memory of the late Representatives Foerderer and Burke of Pennsylvania. In addition to members of the families of the deceased, a large number of Pennsylvanians occupied seats in the galleries.

Each of the long list of speakers paid touching tributes to the two departed members. Resolutions of sympathy and respect were adopted, following which the house adjourned.

## LINE OWE WISCONSIN

## STATE HAS SEVERAL THOUSAND DOLLARS COMING FROM BACK TAXES.

Madison, Wis., April 11.—State Railroad Commissioner John W. Thomas has reported to the governor that his investigation of the books and records of the railway companies operating in Wisconsin shows that they owe the state \$67,923.97 in back taxes, due to their failure to report their entire gross earnings upon which their taxes are computed. The investigation, he says, is only partially completed, and will consume considerable more time. The report gives the results of the investigation for four roads only, and for the years of 1901 and 1902. These roads are the Northern, the Milwaukee, the Omaha, and the Minneapolis, St. Paul and Sault Ste. Marie. According to the report, the gross shortage in their returns of earnings for the period named is \$1,698,976.63.

## NOTED BANDIT KILLED.

Leader of the Mexican Yaquis Captured and Shot.

Hermosillo, Mex., April 11.—Manuel Guavesi, who has been for five years at the head of the Yaqui rebels in Sonora, and who in that time has instigated many uprisings, first in one section and then in another, is dead. Guavesi was discovered among the prisoners taken by Captain Barron in an engagement with a band of savages near Batomote and was immediately taken out and shot, as Captain Barron was not prepared to take any chances, for his prisoners numbered almost as many men as those of his command.

Guavesi met death bravely. He had expected to be executed when his identity was discovered. It was Guavesi who was in command of the Yaqui force which ambushed and almost annihilated a whole company of the Twentieth battalion near Zamorata in the rebellion of two years ago. The death of Guavesi will be the death of the Yaqui cause.

## DATE FOR ADJOURNMENT.

Both Houses of Congress Thought to Favor April 28.

Washington, April 11.—April 28 has been discussed in committee rooms and among senators and representatives as not at all an improbable date for the termination of the present session of congress, as the calendars will doubtless be cleared up by that time. No call has yet been issued, but Republican leaders of the senate anticipate holding a meeting of the steering committee early next week to agree on a general programme for the remaining days of the session.

## NEW TRANSCONTINENTAL LINE.

Northwestern Road Will Build to San Francisco.

Casper, Wyo., April 11.—The Northwestern will soon begin work on a line from this city to Ogden, Utah, and the road will eventually be built through to San Francisco, making the Northwestern system a transcontinental line, independent of the Union Pacific.

## DEMENTED MAN CAPTURED.

Fried to Run a Train Onto a Sidetrack Filled With Cars.

Duluth, April 11.—Charles Nelson, aged twenty-two, of Spirit Lake, Minn., who left his bed while temporarily insane through a dangerous attack of pneumonia, was captured Sunday at Carleton, Minn., while trying to run an engine and twenty cars. When the engine crew went to lunch Nelson, who was in hiding, entered the cab and started the train. The engineer, seeing the train moving, mounted the engine and succeeded in stopping the train just as it was going into a sidetrack filled with cars.

At the sheriff's office Nelson denied he was ill and when told of the locomotive incident laughed hysterically. Nelson has been roaming the woods since last Thursday.

## BOURKE COCKRAN SPEAKS.

Attacks Recent Order Relating to Disability Pensions.

Washington, April 11.—In the house Mr. Cockran (N. Y.) spoke on his resolution directing an inquiry by the judiciary committee as to whether there was authority in the law for the recent executive order relating to pensions of age disability.

Mr. Cockran said the resolution was offered solely to vindicate the dignity of the house. He did not question the propriety of paying liberal pensions to federal soldiers, but he declared that the basis of these payments should be laws of congress "and not self-constituted authority." "If," he said, "the present order is recognized by the house what fragment of power is there left to the house?"

## IN HONOR OF QUEEN ISABELLA.

Spanish Court Will Go Into Mourning for a Year.

Madrid, April 11.—The Official Gazette, which appeared Sunday with black borders, merely announces the death of Former Queen Isabella at Paris on Saturday, and makes no statement regarding the funeral arrangements.

King Alfonso desires that every honor shall be paid to the dead. The Spanish court will go into mourning for one year.

Paris, April 11.—The remains of ex-Queen Isabella of Spain, embalmed and clad in the habit of the Sisterhood of Saint Francis, were placed on a catafalque in the center of the great drawing room in the Palace Castillo.

## Serious Cutting Affray.

Winona, Minn., April 11.—Brock beer caused a serious cutting affray in Winona early Sunday morning. Anton Gales and Thomas Packiewicz using knives freely on each other. Gales was cut on both sides of his face and on the back of the neck, and in addition has a cut extremely close to the heart. His condition is precarious.

## Long Voyage Ended.

New York, April 11.—The 99-ton steam yacht Roxana, which was built in Milwaukee last year for John W. Gates, arrived here Sunday from Chicago, after a voyage down the Mississippi, through the Gulf of Mexico and up the Atlantic coast. The vessel was 177 days in making the passage.

## SUICIDES IN NEW YORK.

Six Persons End Their Troubles in One Day.

New York, April 6.—An unusual number of suicides, at least half of them due to despondency because of inability to secure employment, were reported to the police of Greater New York Tuesday. The most youthful suicide was Eva Pocker, a seventeen-year-old Brooklyn school girl, who drank carbolic acid, and the oldest, Jacob Reihman, sixty-five, of Manhattan, who had been ill with rheumatism. His body was found hanging in his lodgings. The body of another suicide, a woman, who had ended her life at least two weeks ago by inhaling chloroform, was found in a house on East Thirty-fifth street. The woman was so deeply in debt that she saw no hope. The other suicides reported were James Kinney, fireman, who lost his work through drink; Samuel Levy, no work, carbolic acid; Egisto Berstone, stonecutter, shooting, no work; J. Bender, a crayon artist, gas.

## DEMOCRATS OF WISCONSIN.

Will Hold Their Delegate Convention at Milwaukee May 17.

Milwaukee, April 8.—The Democratic state central committee in session last night selected Milwaukee as the convention city and May 17 as the date to select delegates at large to the national convention. Oshkosh was decided upon as the place for the convention for choosing a state ticket. The date for the Oshkosh convention was left open and will be announced later by a committee consisting of Chairman A. F. Warden and National Committeeman T. F. Ryan of Waukegan and George T. Hilton of Oshkosh.

## TORNADO IN TEXAS.

A Child Killed and a Negro Woman Badly Hurt.

Mexia, Tex., April 8.—A tornado struck to the south of Mexia Thursday, wrecking a gin and farmhouse at Shiloh, and a farmhouse at Prairie Grove.

At Mills, a house was blown to pieces and a negro woman was seriously hurt and a child killed.

## POLICE STOP A FIGHT

NEW YORK RESERVES CALLED OUT TO PUT AN END TO A GORY AFFRAY.

### FIVE MEN BADLY WOUNDED

THREE BROTHERS ARE FATALLY STABBED BY ASSAILANTS IN A SALOON.

New York, April 11.—In a feud fight here Sunday three brothers, Thomas, William and Michael Gilbride, were seriously if not fatally stabbed, and Harry and John McShane, also brothers, were badly wounded.

On Saturday a fight occurred between Harry McShane and Thomas Gilbride and both were arrested. Sunday, knowing that Gilbride and his two brothers were near with several of their friends, McShane gathered about twenty of his friends in the back room of a saloon at the corner of First avenue and Twenty-third street. Then, according to the police, he approached Gilbride, professed regret over their trouble of the day before and finally induced the Gilbride party to go with him to the saloon to drink and forget their differences. As soon as all were inside the saloon McShane is said to have given a signal, at which his friends began the fight.

Used a Knife With Deadly Effect.

Harry McShane devoted his energy to Tom Gilbride, the police said, and used a long bladed jackknife on his adversary. The fight between these two men lasted nearly five minutes and Gilbride fell to the floor insensible and bleeding profusely from a cut in the abdomen and another cut on the right shoulder.

Then Harry McShane attacked William Gilbride and inflicted several wounds, one of which was on the head. The men fought their way out of the saloon and continued the battle in the street, causing a crowd to collect that blocked the surface cars and led to the calling out of police reserves. The fight lasted half an hour. When the police reserves arrived they sent Thomas and William Gilbride to the hospital and arrested the two McShanes, who were bleeding from a dozen wounds.

The other Gilbride, with a serious stab wound over his heart, evaded the police and was taken home by his friends. At night the McShanes were taken to the hospital and positively identified by Thomas Gilbride, the man most seriously hurt, as his assailants.

### LIVING IN UPPER STORIES.

Thousands of Persons in Danger From High Water.

Montreal, April 11.—Three thousand people in the village of Verdun, adjoining the western limits of the city of Montreal, are living in the upper stories of their homes, while several thousand more, who reside in that section of the city known as Point St. Charles, are in danger.

Early Sunday a large quantity of ice came down from Lake St. Louis and jammed up against the Victoria bridge. In a few minutes the water began to rise and in a short time had reached the top of the dyke built after the last great flood and which had been up to the present time a sufficient protection. In a short time it became possible to navigate all that portion of Verdun in the neighborhood of the Queen's park with boats. All the teams that could be pressed into service were engaged in strengthening and raising the dyke. At 3 o'clock the water had reached a depth of six feet on the streets. Then it began to fall and at 9 o'clock had gone down a foot. The danger is not yet over.

### PRISONER BADLY WOUNDED.

Stabbed by Another Convict in the Ohio Penitentiary.

Columbus, O., April 11.—In revenge for an alleged betrayal, George Duncan, a prisoner, Sunday stabbed and probably fatally wounded "Burglar Jim" Anderson, another prisoner at the Ohio penitentiary. Anderson was seated at a table in the larger dining hall when Duncan suddenly sprang upon him from behind and inflicted six wounds with a shoemaker's knife which he had secreted. The blade of the knife penetrated Anderson's lung, making a dangerous wound.

Anderson and Duncan escaped together from the penitentiary some time ago and were recently captured after a desperate fight at Chillicothe, O. On being returned to the penitentiary Anderson accused a former guard of having aided in their escape.

### POLITICIAN COMMITS SUICIDE.

Broke Jail But Could Not Elude His Pursuers.

Abbeville, Ala., April 11.—Captain W. W. Milliken, who was placed in jail here on the charge of assaulting Miss Snyder of Dothan, broke jail Sunday. He was closely pursued and fired several shots at his pursuers. Finding he could not escape, he shot himself through the heart, dying immediately. Captain Milliken was postmaster and stood high in politics.

### Emperor William at Malta.

Malta, April 11.—Emperor William read divine service on board the German imperial yacht Hohenzollern Sunday morning, after which he received the captains of the British fleet. He then landed and visited all the places of interest. Emperor William is in perfect health and is enjoying his cruise.

### Both Ministers Satisfied.

Rome, April 11.—Signor Tittoni, the Italian foreign minister, in an interview Sunday said that he and Count Golschowski, the Austrian foreign minister, were perfectly satisfied with their meeting at Abbazia Saturday.

## WORK FOR THE HOUSE.

River and Harbor and the Philippine Bill to Be Considered.

Washington, April 11.—The measures of importance that will come before the house this week include the \$3,000,000 appropriation to carry on necessary river and harbor works; the general deficiency bill; the Cooper bill amending the Philippine civil government act by authorizing a bond issue by the island government for internal improvements and guaranteeing 5 per cent earnings on capital to be invested in railroad building in the islands; the statehood bill, and conference reports as they may come up for consideration.

The river and harbor and general deficiency bills are not likely to consume much time but the Philippine bill is expected to require at least two days' debate.

The statehood bill's career is to be determined by a caucus of Republican members to be held probably Thursday evening. A special rule from the committee on rules, limiting debate and providing for a vote, is expected as a result of the caucus.

## APPROPRIATION BILLS.

Will Take Precedence of All Business in the Senate.

Washington, April 11.—The appropriation bills this week will take the precedence of all business in the senate, but it is more than probable that political discussion will take up most of the time nominally devoted to appropriations. The postoffice bill will divide attention early in the week with the conference report on the Indian bill. By the time these two measures shall be disposed of it is expected that the sundry civil bill will have been reported from the committee on appropriations. It is quite generally understood that several Democratic senators will reply to Senator Spooner's speech of Saturday. Senator Gorman will be among the number. There may be an effort made to get up the Panama canal bill during the week, but not if it would interfere with consideration of appropriation bills.

## HOLD A SUNDAY SESSION.

House Members Pay Tribute to Deceased Congressmen.

Washington, April 11.—Pursuant to a special order, the house of representatives Sunday conducted memorial services in memory of the late Representative Forrester and Burke of Pennsylvania. In addition to members of the families of the deceased, a large number of Pennsylvanians occupied seats in the galleries.

Each of the long list of speakers paid touching tributes to the two departed members. Resolutions of sympathy and respect were adopted, following which the house adjourned.

## LINE OWES WISCONSIN

STATE HAS SEVERAL THOUSAND DOLLARS COMING FROM BACK TAXES.

Madison, Wis., April 11.—State Railroad Commissioner John W. Thomas has reported to the governor that his investigation of the books and records of the railway companies operating in Wisconsin shows that they owe the state \$67,923.07 in back taxes, due to their failure to report their entire gross earnings upon which their taxes are computed. The investigation, he says, is only partially completed, and will consume considerable more time. The report gives the results of the investigation for four roads only, and for the years of 1901 and 1902. These roads are the Northwestern, the Milwaukee, the Omaha, and the Minneapolis, St. Paul and Sault Ste. Marie. According to the report, the gross shortage in their returns of earnings for the period named is \$1,698,076.63.

## NOTED BANDIT KILLED.

Leader of the Mexican Yaquis Captured and Shot.

Hermosillo, Mex., April 11.—Manuel Guavesi, who has been for five years at the head of the Yaqui rebels in Sonora, and who in that time has instigated many uprisings, first in one section and then in another, is dead. Guavesi was discovered among the prisoners taken by Captain Barron in an engagement with a band of savages near Batomote and was immediately taken out and shot, as Captain Barron was not prepared to take any chances for his prisoners numbered almost as many men as those of his command.

Guavesi met death bravely. He had expected to be executed when his identity was discovered. It was Guavesi who was in command of the Yaqui force which ambushed and almost annihilated a whole company of the Twentieth battalion near Zamorata in the rebellion of two years ago. The death of Guavesi will be the death of the Yaqui cause.

## DATE FOR ADJOURNMENT.

Both Houses of Congress Thought to Favor April 28.

Washington, April 11.—April 28 has been discussed in committee rooms and among senators and representatives as not at all an improbable date for the termination of the present session of congress, as the calendars will doubtless be cleared up by that time.

No call has yet been issued, but Republican leaders of the senate anticipate holding a meeting of the steering committee early next week to agree on a general programme for the remaining days of the session.

## NEW TRANSCONTINENTAL LINE.

Northwestern Road Will Build to San Francisco.

Casper, Wyo., April 11.—The Northwestern will soon begin work on a line from this city to Ogden, Utah, and the road will eventually be built through to San Francisco, making the Northwestern system a transcontinental line, independent of the Union Pacific.

## DEMENTED MAN CAPTURED.

Fried to Run a Train Onto a Sidetrack Filled With Cars.

Duluth, April 11.—Charles Nelson, aged twenty-two, of Spirit Lake, Minn., who left his bed while temporarily insane through a dangerous attack of pneumonia, was captured Sunday at Carleton, Minn., while trying to run an engine and twenty cars. When the engine crew went to lunch Nelson, who was in hiding, entered the cab and started the train. The engineer, seeing the train moving, mounted the engine and succeeded in stopping the train just as it was going into a sidetrack filled with cars.

At the sheriff's office Nelson denied he was ill and when told of the locomotive incident laughed hysterically. Nelson has been roaming the woods since last Thursday.

## BOURKE COCKRAN SPEAKS.

Attacks Recent Order Relating to Disability Pensions.

Washington, April 11.—In the house Mr. Cockran (N. Y.) spoke on his resolution directing an inquiry by the judiciary committee as to whether there was authority in the law for the recent executive order relating to pensions of age disability.

Mr. Cockran said the resolution was offered solely to vindicate the dignity of the house. He did not question the propriety of paying liberal pensions to federal soldiers, but he declared that the basis of these payments should be laws of congress "and not self-constituted authority." "If," he said, "the present order is recognized by the house what fragment of power is there left to the house?"

## IN HONOR OF QUEEN ISABELLA.

Spanish Court Will Go Into Mourning for a Year.

Madrid, April 11.—The Official Gazette, which appeared Sunday with black borders, merely announces the death of former Queen Isabella at Paris on Saturday, and makes no statement regarding the funeral arrangements.

King Alfonso desires that every honor shall be paid to the dead. The Spanish court will go into mourning for one year.

Paris, April 11.—The remains of ex-Queen Isabella of Spain, embalmed and clad in the habit of the Sisterhood of Saint Francis, were placed on a catafalque in the center of the great drawing room in the Palace Castillo.

## Serious Cutting Affray.

Winona, Minn., April 11.—Bock beer caused a serious cutting affray in Winona early Sunday morning. Anton Gales and Thomas Packiewicz using knives freely on each other. Gales was cut on both sides of his face and on the back of the neck, and in addition has a cut extremely close to the heart. His condition is precarious.

## Long Voyage Ended.

New York, April 11.—The 99-ton steam yacht Roxana, which was built in Milwaukee last year for John W. Gates, arrived here Sunday from Chicago, after a voyage down the Mississippi, through the Gulf of Mexico and up the Atlantic coast. The vessel was 177 days in making the passage.

The most youthful suicide was Eva Pocker, a seventeen-year-old Brooklyn school girl, who drank carbolic acid, and the oldest, Jacob Reihman, sixty-five, of Manhattan, who had been ill with rheumatism. His body was found hanging in his lodgings. The body of another suicide, a woman, who had ended her life at least two weeks ago by inhaling chloroform, was found in a house on East Thirty-fifth street. The woman was so deeply in debt that she saw no hope. The other suicides reported were James Kinney, fireman, who lost his work through drink; Samuel Levy, no work, carbolic acid; Egisto Bertone, stonecutter, shooting, no work; J. Bender, a crayon artist, gas.
